Request for a Plant-Based Lunch

Note to Parent/Guardian/Student: Please fill out this form to request a plant-based lunch. We ask that a parent/guardian fill out the form for elementary and middle school students; high school students may fill out this form themselves if desired. If you have more than one student in the same school, you may put multiple students on the same form. If you have more than one student in the same school, but with different needs (ie, food allergies or day of week requests), please fill out separate forms. If you have students in separate schools, fill out a form for each separate school.

Schools in Illinois are required to provide a plant-based lunch upon prior request under Illinois bill 4089. Due to the time it takes to order food and plan lunches, we ask for 4 weeks' advanced notice. The student does not need to follow a plant-based diet to request a plant-based lunch. The student does not need to eat lunch at school every day to request plant-based meals.

Definition of **Plant-Based** as intended by the law and will be followed by the school: **Plant-Based** means food and/or beverages that come 100% from plant sources (vegan). Plant-Based food means no meat/poultry/fish/seafood/milk/cheese/yogurt/sour cream/butter/margarine that contains dairy/ice cream/dairy derivatives (casein, whey, lactose)/eggs/egg derivatives/honey/lard/gelatin.

Please note that if you have any questions, you can reach out to Mrs. Amanda Cannon (Kitchen Manager) at acannon@bssmorton.org or (309) 263-8442.
